Re: United States v. Singh  
23 Cr. 236 (FB)

Dear Judge Block:

I am writing to request a modification of the conditions of release for my client, Sagar Singh, whose travel is currently restricted to New York City, Rhode Island (where he resides), and points between.

Mr. Singh has been offered employment as an office assistant for a dentistry practice with offices in two locations in Massachusetts, as well as in Rhode Island. Details and verification of the proposed employment will be provided to Mr. Singh's Pretrial Services Agency supervisor in the District of Rhode Island, Timothy Donohue. We have been advised that neither Mr. Donohue nor Officer Amanda Carlson of this district's Pretrial Office has any objection to the proposed travel for employment purposes. Assistant United States Attorney Alexander Mindlin has advised us that the government also has no objection to the requested modification.

Accordingly, I request that the Court modify Mr. Singh's bail conditions to permit him to travel to Massachusetts for purposes of this employment.

Respectfully,

/s/  
Jeremy Gutman  
Attorney for Defendant  
Sagar Singh
